REMARKS

The application has been amended to adapt the specification and claims of the underlying international application to U.S. practice. Claims 1 to 4 as presented in the underlying International Application No. PCT/EP2004/052324 have been canceled without prejudice. New claims have been added. Fig. 5 has been amended to show the movable switching contact described at [0015].

Applicants believe that no further fees are due as a result of this amendment. In the event of a fee discrepancy, please charge our Deposit Account No. 50-0552.

Respectfully submitted,
